Seafood Progress

Brands' Commitment to Sustainable and Socially Responsible Seafood

622022 aggregate score

Seafood Progress Average **?**: 63

Parent Company **Sofina Foods Inc.**

OVERVIEW

Commitment to Sustainable Seafood

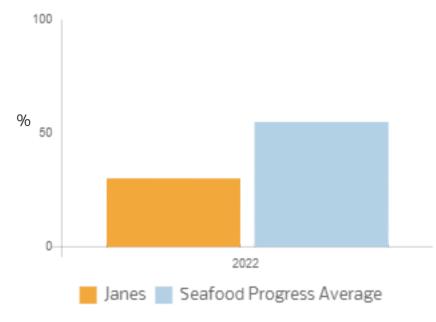

100% of products sold in 2022 met commitment. that it adheres to its commitment to sourcing sustainable seafood by following a three-part process: 1) **Quality control**: Janes employs boat-to-plate chain of custody which includes full product inspections at each point in the chain, 2) **Traceability**: Janes' inspection reports provide complete traceability for every product, and 3) **Certification**: In 2011, Janes became the first branded seafood company in North America to have 100% of its retail seafood products certified by the Marine Stewardship Council (MSC). However, SeaChoice could not find evidence that Janes has a full chain traceability policy that traces at least the scientific name, geographic origin or harvest or farming method.

Clear Objectives

Supplier Expectations 8

Social Responsibility Commitment. No publicly available information.

STEP 1: COMMITMENT

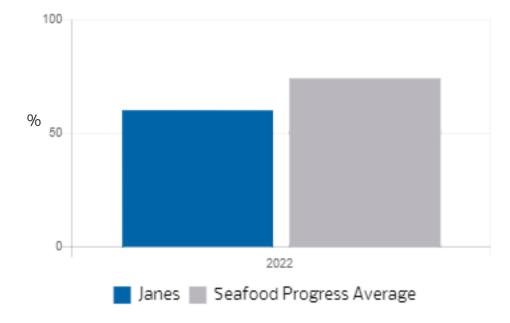

1

Commitment

Does the brand have comprehensive commitments to sustainable and socially responsible seafood?

1.1 The brand has a publicly available commitment regarding environmentally sustainable seafood.

Janes' website states that it adheres to its commitment to sourcing sustainable seafood by following a three-part process: 1) Quality control: Janes employs boat-to-plate chain of custody which includes full product inspections at each point in the chain, 2) Traceability: Janes' inspection reports provide complete traceability for every product, and 3) Certification: In 2011, Janes became the first branded seafood company in North America to have 100% of its retail seafood products certified by the Marine Stewardship Council (MSC).

Scoring

+

100% Commitment to environmental sustainability includes clear objectives that are supported by references to credible standards, a full chain traceability policy and a timeline for meeting the commitment (unless the commitment has already been met).

80% Commitment to environmental sustainability that includes clear objectives that are supported by references to credible standards and a full chain traceability policy that traces at least the product scientific name, geographic origin, farmed/wild and gear type or farming method.

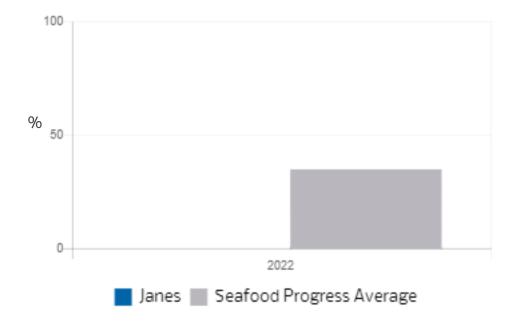

60% Commitment to environmental sustainability that includes clear objectives that are supported by references to credible standards (such as Seafood Watch or Ocean Wise ratings, eco-certifications, etc.).

40% Commitment to environmental sustainability that includes clear objectives for sustainable procurement.

20% General commitment to environmentally sustainable seafood.

o% No publicly available environmental sustainability commitment.

1.2 The brand has a publicly available commitment regarding socially responsible seafood.

No publicly available information.

Scoring

+

100% Commitment to social responsibility includes clear objectives, actions or expectations for seafood suppliers, a clear and effective traceability policy, and the grocer reports publicly on activities to support social responsibility.

80% Commitment to social responsibility includes clear objectives, actions or expectations for seafood suppliers, and a clear and effective traceability policy.

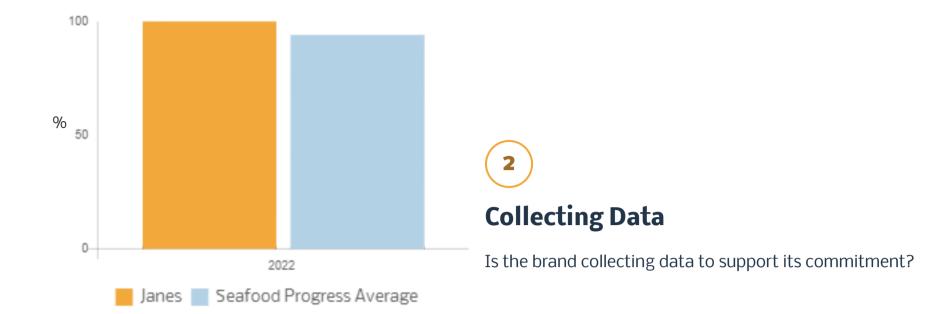

60% Commitment to social responsibility includes clear objectives and actions or expectations for seafood suppliers.

40% Commitment to social responsibility includes clear objectives for socially responsible procurement (for example by referring to credible international standards such as ILO, UN Declaration, etc.).

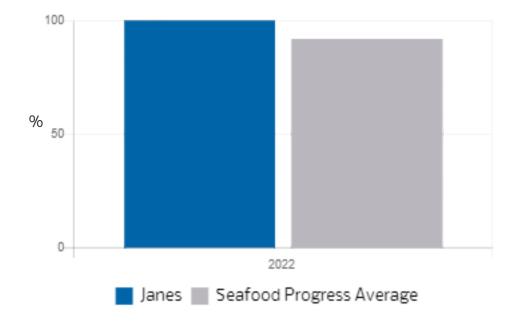

20% General commitment to socially responsible seafood.

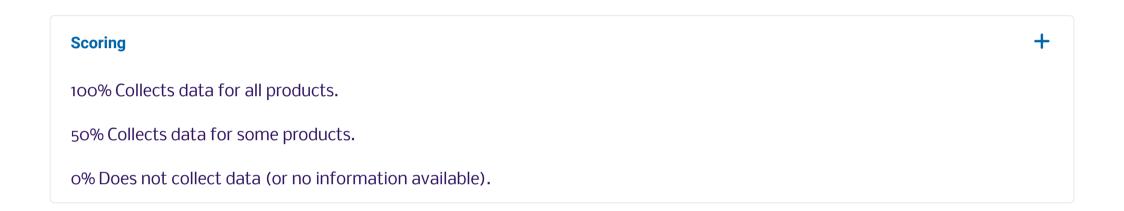

o% No publicly available social responsibility commitment.

STEP 2: COLLECTING DATA

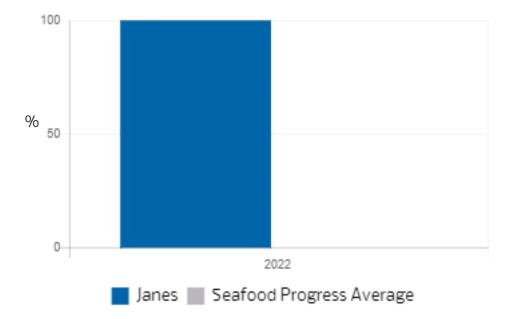

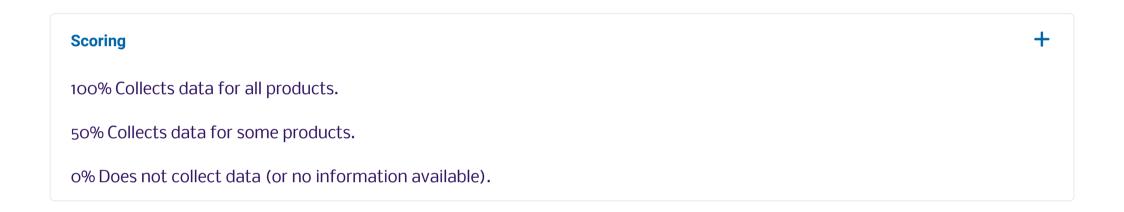

2.1 The brand collects data on species scientific name.

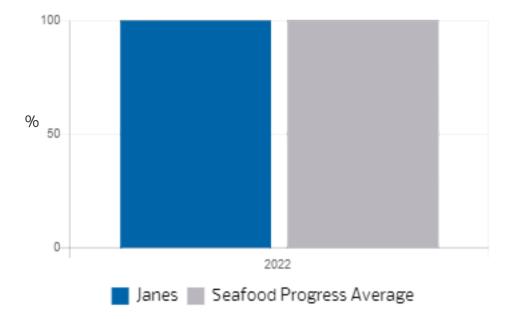

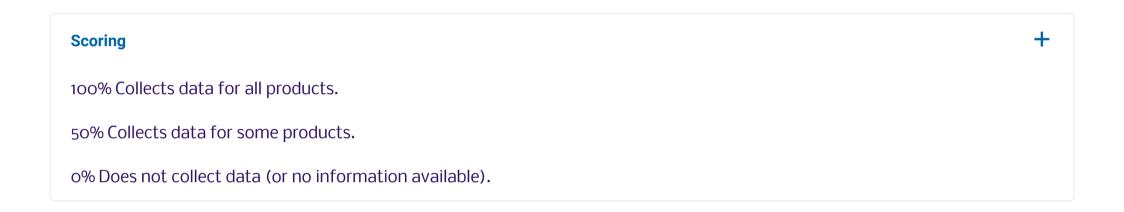

2.2 The brand collects data on geographic origin.

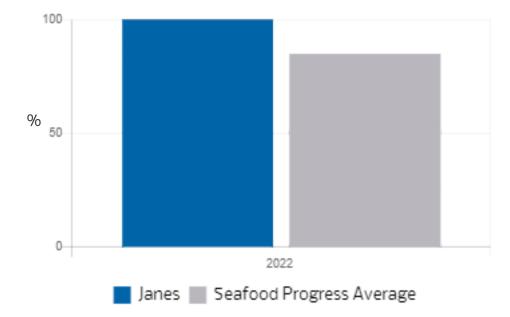

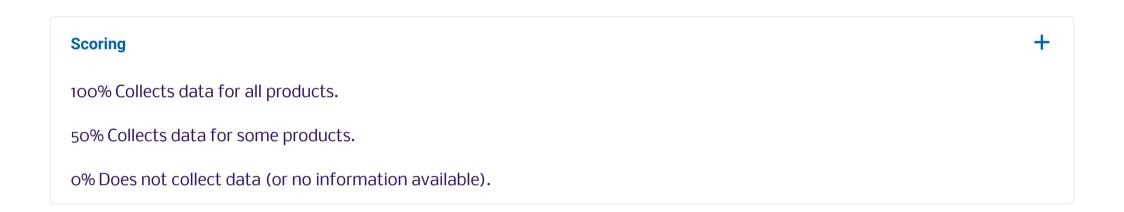

2.3 The brand collects data on whether wild or farmed.

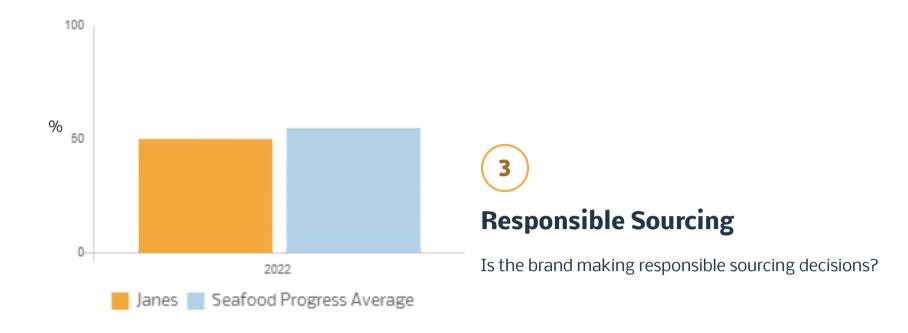

2.4 The brand collects data on gear type or farming methods.

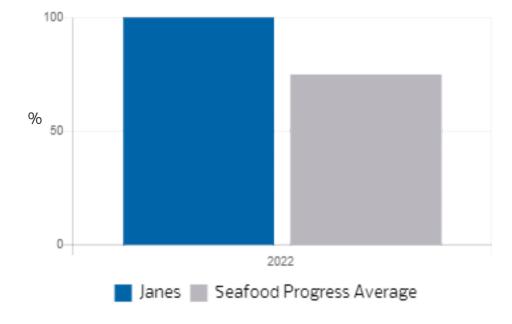

STEP 3: SOURCING

3.1 Company publishes a clear hierarchy demonstrating its sourcing priorities.

Janes' website states that it consistently adheres to sourcing all its products from fisheries that have been independently certified by the Marine Stewardship Council (MSC).

Scoring

100% Publishes a clear hierarchy of sustainability standards demonstrating its sourcing priorities for all commodities it sells.

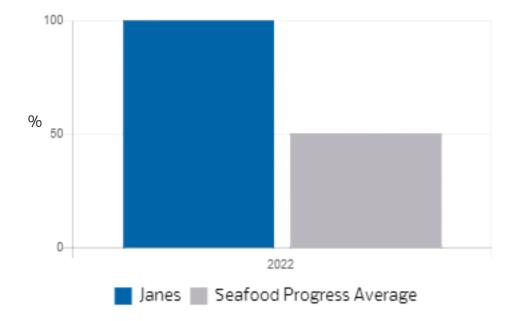

75% Publishes a clear hierarchy of sustainability standards used for sourcing some commodities, and identifies a general list of sustainability standards that it uses to inform its purchasing decisions for other commodities.

50% Publishes a clear hierarchy of sustainability standards used for sourcing some commodities, but doesn't identify the standards it uses to inform its purchasing decisions for other commodities.

25% Publishes a general list of sustainability standards that it uses to inform its purchasing decisions.

o% Does not publish the sustainability standards that it uses to inform its purchasing decisions.

3.2 The brand has reported on the percentage of seafood sold in the past year that meets its sustainability commitment by volume or value.

Janes' website states that it consistently adheres to sourcing all its products from fisheries that have been independently certified by the Marine Stewardship Council (MSC).

Scoring

+

100% Grocery store has reported that 100% of its seafood sold meets its sustainability commitment.

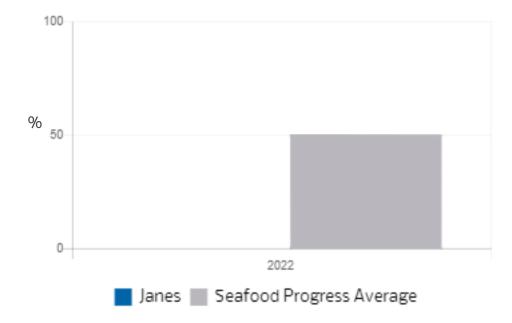

75% Grocery store has reported that 75% or more of its seafood sold meets its sustainability commitment.

50% Grocery store has reported that 50% or more of its seafood sold meets its sustainability commitment.

25% Grocery store has reported that 25% or more of its seafood sold meets its sustainability commitment.

o% Grocery store has not reported on the percentage of its seafood sold that meets its sustainability commitment (or no information available).

3.3 Suppliers are required to sign a code of conduct to uphold the brand's environmental sustainability commitment.

No information in Janes' commitment.

Scoring

+

100% All suppliers are required to sign a code of conduct that covers all of the retailer's environmental sustainability commitment and the retailer actively verifies that this commitment is being upheld on at least an annual basis.

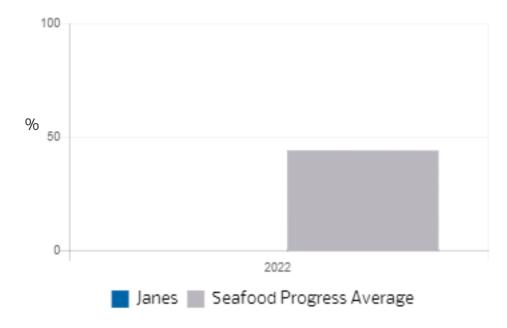

75% Rubric for retailers Feb 17 2022 Rubric for retailers Feb 17 2022 .XLSX 100% 10 B84 All suppliers are required to sign a code of conduct that covers all of the retailer's environmental sustainability commitment. 50% All suppliers are required to sign a code of conduct that covers some of the grocery store's social responsibility commitment.

25% Some suppliers are required to sign a code of conduct that covers some of the grocery store's social responsibility commitment.

o% Suppliers are not required to sign a code of conduct (or no information).

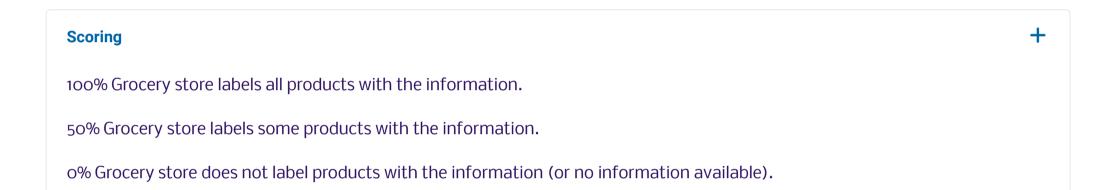

STEP 4: TRANSPARENCY

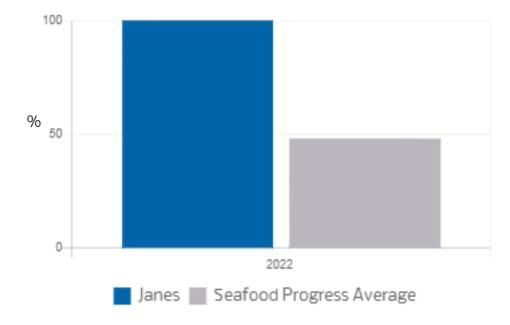

4.1 The brand labels products with the information that allows consumers to make informed decisions.

Janes does not indicate species' scientific name, geographic origin or gear type on any of its product labels, but does indicate "wild caught" on several of its products.

4.2 The brand follows best practice guidelines for making environmental claims on its products.

Janes only uses the MSC certification claim on product labels which includes chain of custody to serve as evidence to back up this claim.

Scoring

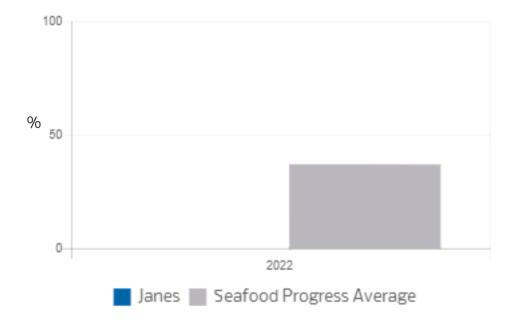

+

100% Grocery store labels all products with an ecolabel as appropriate.

50% Grocery store labels some products with an ecolabel as appropriate.

o% Grocery store does not label products with an ecolabel as appropriate (or no information available).

4.3 Scientific name, geographic origin and harvest method of the brand's products is publicly available.

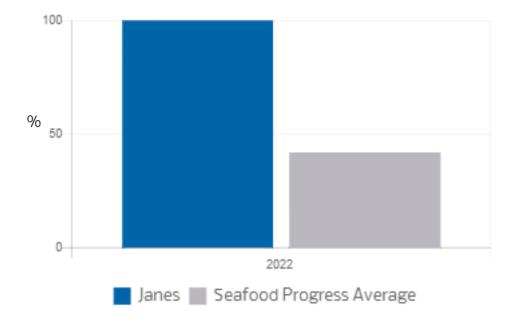

Janes does not publish this information.

o% No list of products procured with region and gear type has been made available.

50% Some seafood products with region and gear type has been made available.

4.4 The brand publicly reports how much of its seafood meets its sustainability criteria by volume or value of sales.

Janes' website states that it consistently adheres to sourcing all its products from fisheries that have been independently certified by the Marine Stewardship Council (MSC).

Scoring

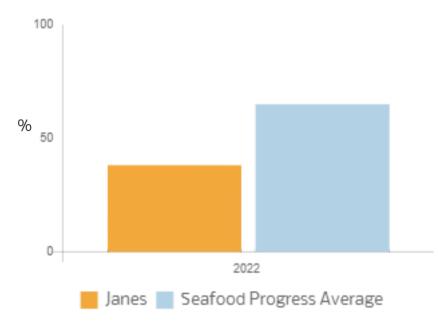

+

100% Retailer regularly reports publicly how much of its seafood sold meets its commitment by volume or value of sales every year.

50% Rubric for retailers Feb 17 2022 Rubric for retailers Feb 17 2022 .XLSX 100% 10 B123 Retailer has at one point reported publicly how much of its seafood sold meets its commitment. Screen reader support enabled. Retailer has at one point reported publicly how much of its seafood sold meets its commitment. Turn on screen reader support

o% No public information on how the grocery store is doing to meet its commitment.

STEP 5: EDUCATION

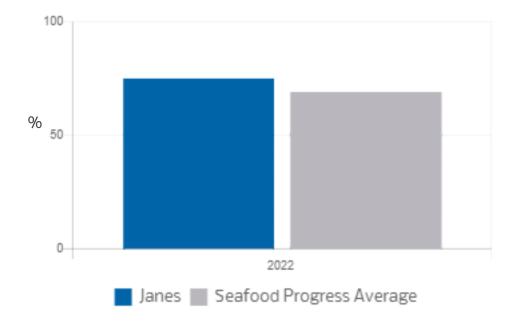

Education

Does the brand educate key stakeholders about the importance of its commitment to sustainable seafood?

5.1 There is a description of the brand's commitments to sustainable and socially responsible seafood on its website.

There is a comprehensive description of Janes' commitment to sustainable seafood on <u>its website</u>, but no description of its commitment to socially responsible seafood.

+

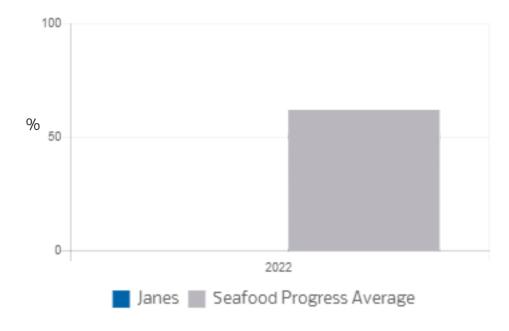

100% Training programs regularly conducted for all seafood staff.

75% Training programs conducted for all seafood staff, but only once.

50% Training programs sometimes conducted or for only some seafood staff.

o% Training programs not conducted for seafood staff (or no information available).

5.2 The brand has taken actions to ensure its suppliers are aware of its sustainable seafood commitment or policy.

No information in Janes' commitment.

Scoring

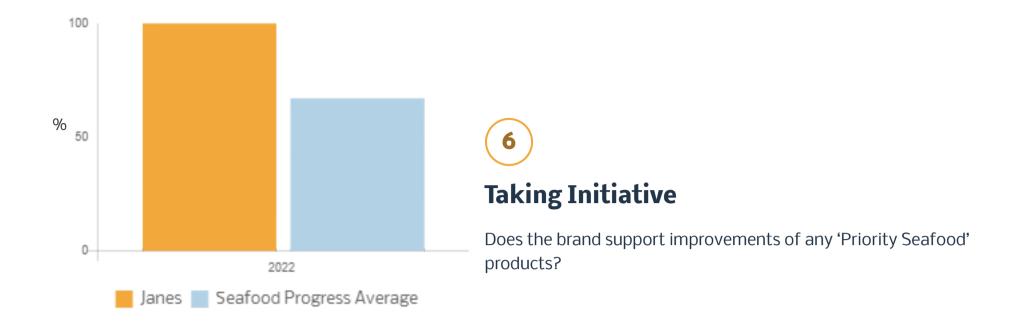

+

100% There is a comprehensive description of the grocery store's commitments to sustainable and socially responsible seafood in store.

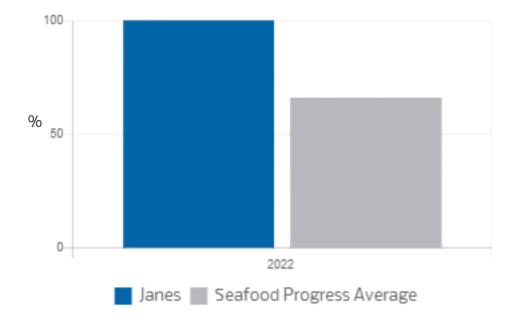

50% There is some description of the grocery store's commitment to sustainable seafood and/or socially responsible seafood in store.

o% There is no description of the grocery store's commitments to sustainable and socially responsible seafood in store.

STEP 6: TAKING INITIATIVE

6.4 Other seafood products.

Janes' website states that it consistently adheres to sourcing all its products from fisheries that have been independently certified by the Marine Stewardship Council (MSC).

- Only sells versions of this product that meet the highest bars for sustainability, i.e. are certified by MSC/ASC, Recommended by Ocean Wise and/or rated Best Choice by Seafood Watch (100 pts).
- Conducts outreach to policymakers and/or certifying bodies to advocate for harvest or farming method and management to be more environmentally sustainable (20 pts).
- Collaborates with other companies pre-competitively to improve fishing or aquaculture practices (20 pts).
- Works with suppliers or producers directly to improve fishing or farming practices (20 pts).
- Preferentially sources from more sustainable sources that are MSC/ASC certified, Recommended by Ocean Wise or Best Choice by Seafood Watch (20 pts).
- Prioritizes sourcing products with high levels of social responsibility and traceability (20 pts).

SeaChoice is a sustainable seafood partnership of the following three conservation groups:
